

AMEB WA PERFORMANCE EVALUATION

FINE TUNE YOUR PERFORMANCE WITH FEEDBACK ON PROGRESS, ACHIEVABLE GOALS AND RECOGNITION!

AMEB Performance Evaluations give musicians of any age or skill level the opportunity to receive non-graded feedback from experienced AMEB examiners.

Whether you are preparing for a **concert, competition, exam, audition, GATE program entry, or just want to benchmark and set future goals**, AMEB Performance Evaluations allow you to choose your own repertoire and outline your objectives, so our expert staff can provide individually-tailored written feedback to help you excel in your performance endeavours!

15 minute (Level 1) and 30 minute (Level 2) evaluations are available (face-to-face, or via video). If desired, you should provide an accompanist or backing track, as needed.

COST: Level 1 (\$80), Level 2 (\$130)
